Becoming a Better Mentor - Think Tank
Grab your coffee and join us on the first Friday of each month as we walk through the chapters of the Becoming a Better Mentor resource. Participate in discussions with other providers and leave with ideas and activities to help support the growth of your mentors. Time: 9:30 am - 10:30 am PDT

Science of Hope Cohort (3-Session Series)
Join us for our 3-session cohort in which we will explore the foundations of the Science of Hope! Learn about its impact and how to implement hope practices with your youth, families, communities, and staff. Dates: 9/29, 10/13, and 10/27
Time: 10:00am - 12:00pm PDT

Substance Use Prevention w/ Jessica Lahey
Learn directly from Educator and Best-Selling Author, Jessica Lahey, about youth substance use and prevention. This amazing opportunity is made possible by the UDistrict PT Foundation Mentoring Program and the Mentoring Leadership Collective in the Greater Spokane Area. Time: 9:00am - 11:00 am PDT

Deep Dive into Quality – the Elements of Effective Practice
Youth outcomes are driven by quality programming. This 3-part series dives deep into each of the 6 fundamental standards for mentoring: Recruitment, Screening, Training, Matching, Monitoring and Support, and Closure. Participants will receive support materials, resources, and more. Dates: 11/1, 11/2, 11/3
Time: 9:00am - 12:30pm PDT

Nuts and Bolts of Sustainable Programming Cohort
Sustainable, impactful programs require more than a good idea and caring adults. This 3-workshop cohort series will explore topics such as Risk Management, setting up Policies and Procedures, staff transition planning, and more. Dates: 11/17, 12/1, 12/15
Time: 9:00am - 11:00am PDT
